CATALINA ANISOARA PEPTU

Born 09.09.1976, married, Romanian,

E-mail: catipeptu@yahoo.co.uk

“Gheorghe Asachi” Technical University of Iasi, Romania

Studies:

2010- present	Postdoctoral researcher at “Gheorghe Asachi” Technical University of Iasi (POSDRU – PERFORMERA - 57649)
2008	Galenos Euro-PhD in advanced Drug Delivery (Patras, Greece, 2008, Galenos Network in Pharmaceutical Sciences – Saarland University, Germany)
2008	PhD in Materials Science and Engineering at “Gheorghe Asachi” Technical University of Iasi, Romania – thesis entitled Contribution to the obtaining of polymer – active principle systems in microparticles and films forms - defended on 21.04.2008; PhD in Molecular Chemistry and Bioactive Molecules at University of Provence, Marseille, France – co-shared thesis
2006 - 2007	University of Patras, Department of Pharmacy, Patras Greece Marie Curie Scholarship – PhD student
2003 - 2004	University of Provence, Marseille, France, Department of Macromolecular Chemistry,
1996 - 2002	Bioengineer Degree in Biomaterials and Prosthetics - University of Medicine and Pharmacy, Faculty of Bioengineering, Iasi, Romania

Professional Experience:

2010 - present	“Gheorghe Asachi” Technical University of Iasi (POSDRU – PERFORMERA - 57649) – postdoctoral fellow Experience – micro and nanoparticles based on natural polymers for applications in ophthalmology
2008 – 2009	“Petru Poni Institute of Macromolecular Chemistry – junior researcher Experience – mass spectrometry of polymers
2006 – 2007	University of Patras, Department of Pharmacy, Patras Greece – Marie Curie fellow Experience – Liposomes as drug delivery systems; liposomes in polymer hydrogels
2003 - 2004	Université de Provence, Marseille, France – PhD student Experience – micro and nanoparticles based on natural and synthetic

	polymers
--	----------

Competences: advanced drug delivery systems, polymeric micro and nanoparticles, hydrogels, macromolecular chemistry, chemical crosslinking, biological tests of drug delivery systems

Stays abroad:

2003-2004 - Socrates Erasmus - Université de Provence, Marseille, France (7 months)

- **Leonardo da Vinci - Université de Provence, Marseille, France (2 months)**

2006-2007 – Marie Curie – Patras University, Patras, Greece (12 months)

2012 – postdoctoral scholarship – Universite du Pau et du Pays de L'Adour, Pau, France

Scientific activity:

13 papers published in ISI journals (2 papers are under review)

5 papers published in BDI journals

1 paper published in conference proceedings

1 monograph published by national publishing houses

2 book chapters published by internationally publishing houses

2 book chapters under publishing by international publishing house

43 scientific communications (39 presented at international conferences)

1 invited conference (Nanoparticles based on natural and synthetic polymers carrier systems for ocular drug delivery – Université du Pau et des Pays de l'Adour)

1 research grant – as project manager

8 research grants – as member in the research team

HIRSCH INDEX is 3 and the total number of citations is 19.

Researcher ID: **C-4813-2012**
